Book of your choice!

Did you know... repeating books, songs, and activities builds connections in your child's brain. This means the more you repeat things, the more connections they will build, and the smarter they will be!

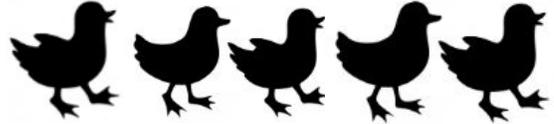

Song: These are the Colors Over You (Tune: Twinkle Twinkle Little Star)

Red and green and yellow and blue
These are the colors over you.

Yellow like the sun and blue like the sea
Red and green and yellow and blue
These are the colors over you.

Over the hill and far away
Mama duck said, "Quack, quack, quack, quack!"
But only 4 little ducks came back.

Mama duck went out one day
Over the hill and far away
Mama duck said, "Quack, quack, quack, quack!"

Tip: Implementing little bits of sign language into your daily life is helping your child learn another language while also giving them another way to communicate with you.

Song: Head, Shoulders, Knees, and Toes

Head, shoulders, knees, and toes
Knees and toes
Head, shoulders, knees, and toes
Knees and toes
Eyes and ears and mouth and nose
Head, shoulders, knees and toes
Knees and toes!

*Repeat but do not say head yet still point to it. Repeat again but do not say head or shoulders while still pointing to them. Continue this pattern of leaving out body parts but still pointing to them - this builds memory and restraint!

All around your hands
