UNEARATH A STORY

**RETURN TO THE
UPPER FLOOR
FOR PRIZES!**

Beanstack

1

Download the app

- Download “Beanstack Tracker” app.

2

Create an account with your library

- Open the app, tap “Find Your School or Library” and enter Hays Public Library.
- This will take you to our sign-in page.
- Click “Sign up!” at the bottom of the screen. Follow the prompts to create your account and add readers. All Beanstack sites use first and last names, password, and age.

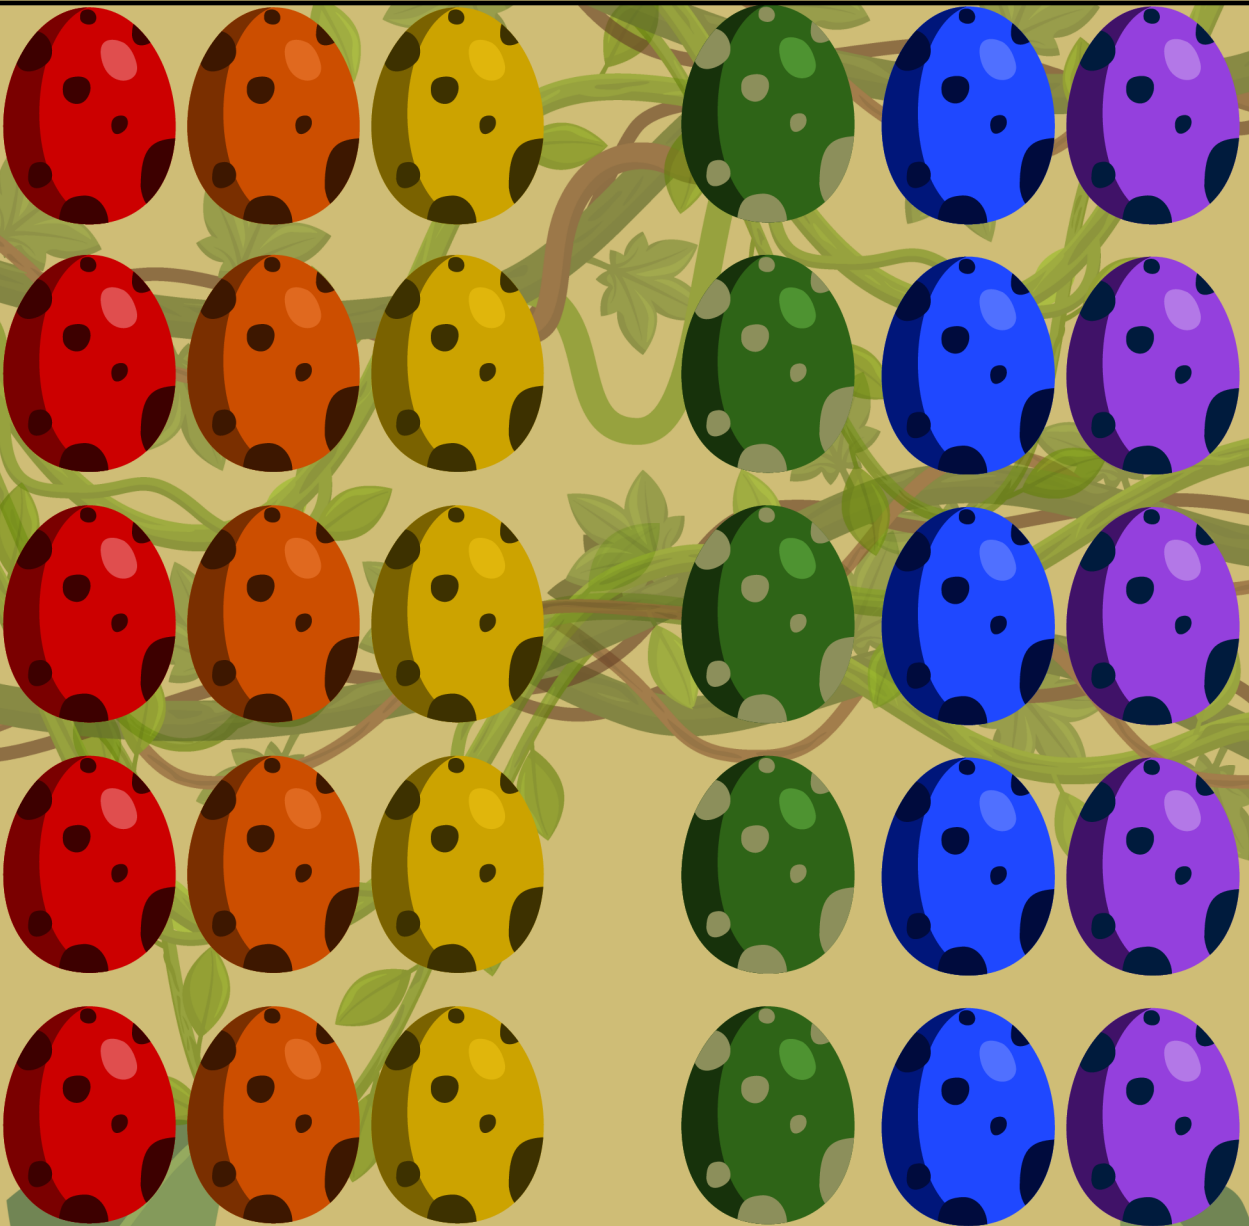

3

Reading Logs

- Click on the “Log Reading” button.
- You can track with a specific title or not. Enter the title or click “Log without a title.”
- Then follow the instructions. You can set a reading timer, track how long you spent reading, or write a review.
- For the summer reading challenge, you want to make sure you are logging minutes read, not books.
 - Don’t forget you can “double dip!” Simply log the minutes for summer and books for the all-year around challenge!

*When you complete this log, record time read on Beanstack or return the paper log to the Upper Level desks for assistance!
