# Summer 2026 Events & Programs

The Summer Challenge is a fun and exciting way to stay engaged and improve literacy skills over the summer months! Register children on Beanstack beginning May 1. Use Beanstack to log reading time and other completed activities for chances to win prizes. Library staff will assist with sign-up and logging for those without computer access.

The Summer Challenge is for all ages with a variety of age-appropriate activities planned throughout the challenge. For ages 0-5, caregivers log the amount of time they read to the child and other early literacy activities they complete. Elementary age and teens will log their reading time and complete other activities.

We're trying something new for adults this year. Pick up a BINGO sheet and registration gift at the library beginning June 1. Complete as many BINGOS on the sheet as you can, and turn it in by July 31. Each BINGO earns you a raffle ticket for the end of summer prize drawings.

For more information go to [hayslibrary.org/summer/](https://hayslibrary.org/summer/).
